

USTA Jr. Team Tennis - Quick Start

ATTENTION ALL STUDENTS GRADES 1-5! REGISTER NOW TO PLAY!!!

Join in the Fun and Get in the Game!

USTA Jr. Team Tennis Quick Start program is designed to allow kids between ages 6 & 11 (of all playing levels) to play the game of tennis in an easy and fun environment. They will learn the game, be on a team and have a great time! To make it easier for them, we've changed the court size, racquet size, and balls.

No Experience Necessary!!

Participation on a team in the USTA Jr. Team Tennis Format will provide a safe and healthy activity in a sport that can be enjoyed on a Middle School Tennis Team and for a lifetime. Each team will consist of 6 players. Teams will have one practice per week where skills will be taught by a Tennis Coach/Instructor and then teams will compete in a match within their age division. Practices and match play are held together on Sundays from 2:00-3:30pm or 3:30-5:00pm. Players will be contacted by email with a schedule **April 7th**.

All play will be held at the Indianapolis Racquet Club Dean Rd. - 8249 Dean Rd. The season will start **April 11th** and lasts for six weeks. Players will need to have their own racquets and tennis shoes to participate. Six and seven year olds need a 21" racquet, eight and nine year olds need a 21" or 23" racquet, and ten and eleven year olds need a 23" or 25" racquet. The Indianapolis Racquet Club Pro Shop on Dean Road offers a huge selection of racquets, shoes, and apparel. The pro shop staff can assist with choosing the correct racquet for your child.

Everyone Plays!!!

To **register**, send form by mail or register by phone. Registration closes Monday April 5th. Late registrations may be accepted to fill teams.

Play begins April 11th!!
