

## IRC Dean Road Program Locations | June 14 - June 22nd

Due to a small fire at IRC Dean Road and the resulting smoke damage, the tennis courts at IRC Dean will remain closed through Thursday, June 22nd. Our intention is to reopen courts for play on Friday, June 23rd. Our Member Services Office will remain open Monday-Friday from 9:00-5:00 pm to assist you. Childcare will be unavailable until the courts reopen on the 22nd.

IRC East will remain open extended hours to serve our members and programs. Members may reserve courts at IRC East including the use of ball machines.

Many programs have been moved to East however, due to court space, not all programs may be held or held at their normal time. Unless otherwise noted, programs moved to IRC East will play at its normal time. All pay-as-you play groups may have a reduced number of courts, please arrive early to ensure you have a spot.

Member court reservations will be contacted individually. We are working with the CITA office to adjust as many USTA matches as possible. If you have a private lesson held at IRC Dean, please confirm your location of play directly with your teaching professional.

We appreciate your patience and understanding as we work to reopen the courts at IRC Dean.
