

QuickStart Tennis League

**Playing Real Tennis.
Having Real Fun.**

The QuickStart League is an excellent format for beginning or advanced beginning juniors to learn the game of tennis immediately in a fun and easy environment. The court dimensions, equipment, net height, and scoring have been modified to allow kids to better develop footwork, technique and tactics. With this new format players can quickly develop the skills to rally the ball, play points, and play games. This immediate learning gives players the foundation and confidence to advance to the next level.

QuickStart League participants will receive both instruction and participate in team match play. IRC membership is not required.
